Belue Farms Natural Market Sponsoring Food Drive through March

BOILING SPRINGS, SC, February 20, 2019 – Starting Saturday, February 23, Belue Farms Natural Market in Boiling Springs is sponsoring a food drive benefitting Ruth’s Gleanings. A local food rescue and distribution service, Ruth’s Gleanings provides nutrient-dense fresh, packaged and whole foods to people in poverty throughout Spartanburg County.

The food drive runs until Saturday, March 30 and will be held at Belue Farms Natural Market located at 3769 Parris Bridge Road. The Market will accept donations of pantry foods including canned goods (fruits, vegetables, beans, soups, stews, tuna, meats, etc.), nut butters, protein snacks and bars, and packaged dry goods such as rice, grains, cereals, nuts, pasta, flour and pantry staples. People may donate items purchased at Belue Farms Natural Market or contribute canned and dry goods from other stores, provided these items are not opened, damaged, expired or homemade.

Harriett Belue, Belue Farms Natural Market owner, says of the event, “Food drives usually coincide with the holidays. However, with several more weeks of winter ahead, the demand for food can be great.” She continues, “We wholeheartedly support Ruth’s Gleanings’ mission of distributing healthy, nutritious foods to our community. Our region is known for its generosity, and we hope this drive makes it easier to donate food to fellow citizens in need.”

Belue adds that each customer who makes a food donation at the store may enter a contest to win a \$50 Belue Farms Natural Market gift certificate. In addition, the store will make monetary and fresh produce donations to Ruth’s Gleanings. Customers may make donations to Ruth’s Gleanings directly at www.RuthsGleanings.com.

Belue Farms Natural Market is located at 3769 Parris Bridge Road in front of Shoally Creek Elementary School in Boiling Springs, SC.
